GAME-O-THON 2026Rule Book

ZIBACAR–MCA:

ZIBACAR–MCA (Zeal Institute of Business Administration, Computer Application and Research – Master of Computer Applications) is a premier department under **Zeal Institute of Business Administration Computer Application and Research**, located in **Pune**.

The MCA department focuses on providing **quality education in computer applications**, preparing students with strong technical, analytical, and problem-solving skills. The institute emphasizes both **academic excellence and practical exposure** through workshops, projects, and industry-oriented activities.

IIT Mandi iHub and HCI Foundation

IIT Mandi iHub and HCI Foundation is a Technology Innovation Hub established at **Indian Institute of Technology Mandi** under the National Mission on Interdisciplinary Cyber-Physical Systems (NM-ICPS), Government of India.

The organization focuses on **Human-Computer Interaction (HCI)**, Artificial Intelligence, Robotics, and Digital Technologies. It aims to promote innovation, research, and entrepreneurship by supporting students, researchers, and startups across the country.

Vinsys IT Services

Vinsys IT Services is a leading global organization specializing in **IT training, consulting, and professional services**. Established with a vision to empower individuals and organizations, Vinsys provides high-quality training in emerging technologies and industry-relevant skills.

ZIBACAR-MCA is organizing the GAME-O-THON in collaboration with **IIT Mandi iHub and HCI Foundation**, with sponsorship support from **Vinsys IT Services Limited**. This initiative aims to provide students with exposure to advanced technologies such as Game Development, Artificial Intelligence, and Human-Computer Interaction, helping them develop practical skills aligned with industry requirements. Through this collaboration, students will gain valuable learning experience, expert guidance, and certification opportunities to enhance their future career prospects
